

# EMERGENCY PREPAREDNESS TRAINING FOR CHILD CARE PROVIDERS

Children and families count on providers to be prepared when disasters strike. Take action with this 6-hour training from Child Care Aware® of America.

*“We ALL should be prepared for the worst and then we are ready for anything. We must get away from the mindset of it will never happen to me.”*

*—Family child care provider trained by Child Care Aware® of America*

Following disasters like hurricanes, earthquakes, and wildfires, child care providers may be forced to close, rebuild, or in some cases shut their doors forever.

Recognizing that emergency preparedness, response, and recovery is vital to the well-being of children, families, and communities, **all 50 states now require child care programs to develop an emergency preparedness plan**. Child Care Aware® of America’s 1-day emergency preparedness training gives child care providers the information and resources they need to:

- Develop a **comprehensive emergency preparedness plan** to keep children and programs safe
- Understand the **regulatory and licensing requirements** for child care agencies
- Support the **emotional needs of children** before, during, and after a crisis

## WHAT SETS THIS TRAINING APART?

Developed and led by experts in **early childhood education and emergency response**

Features a variety of instructional approaches, including **interactive simulations** and small group discussions

Covers a **variety of threats and challenges to programs** including, utility disruptions, natural disasters, infrastructure failures, and lost or injured child

**50** states require child care programs to develop emergency preparedness plans

Total course time: 6 hours (1 day)
